I need some info from some of you.

1. I will reserve an area at Cheddar's for the early bird dinner on Thursday, but to do that I need a rough count of who will be coming. If you plan to arrive on Thursday, please send me an e-mail (right away please!) with the text "Early Bird" and your name.
2. I just learned that the hotel shuttle bus will not be running Saturday & Sunday. There are plenty of restaurants close by, but nothing is "next door", so some folks may need a lift. I would like to post the names of folks who will have cars so anyone who needs transport to lunch or dinner knows who to ask. Also, we have one member who was unable to book a room in the Hilton, so he is going to need regular transport to/from his hotel. So – bottom line – if you will have a car at the hotel, please send me an e-mail with the text "Car" and your name.
3. If you are planning to go on the hike Friday morning it would be nice to let Edwin know in advance so he knows what size group to expect. (edwintlee@hotmail.com)

Just so you won't be surprised, the hotel is going to be full of football fans Friday night through Sunday morning. You may even see a few who are three sheets to the wind. If so and you see red and white, it is wise to be a Sooner (say *boomer sooner*). If you see burnt orange and white, it is wise to be a Longhorn (say *hook 'em horns*).

The weather has cooled down a notch and looks to be very pleasant with highs in the high 70s to low 80s.

Looking forward to a great gathering and a chance to visit with old friends and to meet all the newbies.
